

Strong growth of full year 2006 Revenue Results

Net Income : + 43% at € 892689

EBIT : + 46% at € 1286675

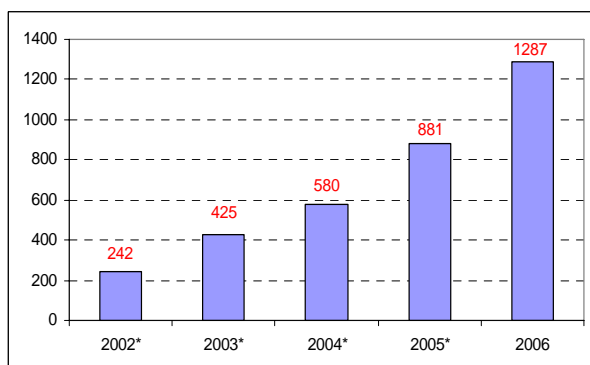

Net Sales : + 44% at € 6444023

Hitechpros, the French marketplace specialised in outsourcing services in the IT sector, announces a strong increase in its 2006 revenue results.

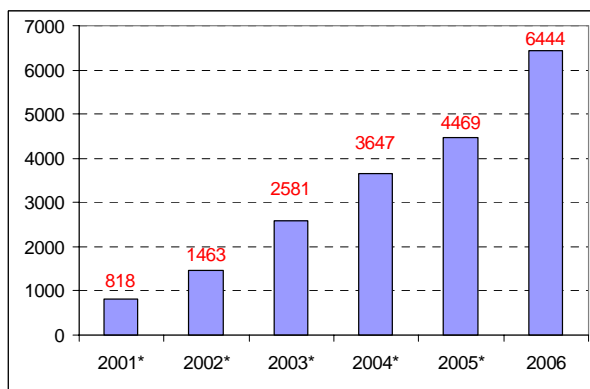

Net income rose to € 892689, up 43% vs € 624989 in fiscal year 2005.

The company has no financial debt.

The growth of net sales comes with a proportional growth of the Ebit figure: + 46% at 1286675 vs € 881079 in 2005.

This demonstrates Hitechpros' ability to control costs within a context of fast development.

Net sales 2006 increased to € 6444023 from € 4468732 last year, a 44% rise over 2005. This growth rate is very stable since it is the same as the average growth rate since 2002.

This confirms the strong and growing recognition of Hitechpros by the IT sector.

* Restated figures, excluding activities sold in 2004

During the annual shareholder meeting of the company to be held on April 5th 2007, the board of directors will propose the payment of a € 0.12 dividend per share.
